# ТНЕ LOOP-

**MHCB** Wellness Team

Hello, Lethbridge School Division students, staff and families!

As we find ourselves in the fourth wave of the pandemic, it is important for us to be familiar with the many ways our community is able to support us. THE LOOP is intended to connect Lethbridge School Division students, staff and families with: learning opportunities, mental health and wellness supports, community based programs and activities, scholarship application information, post-secondary connections and other community family support initiatives. If you would like to submit information for THE LOÓP, please email kathy.mundell@lethsd.ab.ca TAKE CARE.

### Do you know a young person struggling with addiction?

**Need support? Please contact** Lethbridge Youth Treatment Centre at 1.403.388.7600.

The Lethbridge Youth Treatment Centre is a three phase, voluntary, inpatient, drug and alcohol treatment program that serves clients between the ages of 12 and 18. Referrals are made through AHS outpatient counselors and other allied professionals. We have capacity to house and support eight clients at a time. While the duration of treatment may vary, completion of all three phases takes approximately 90 days. The

program offers strength-based, client/family-centered programing and treatment planning to support reducing or extinguishing substance use, and improving mental, physical, social, emotional and spiritual health.

Fearless Feathers is a four session, virtual group designed to address anxiety in children. You will need access to a device able to run the Zoom application.

**UP Group** is our introductory group that offers children and youth evidence-Age based skills to help manage many of 11-14 life's challenges and difficulties related to emotions and mental health.

ADHD Parent Group is a parent group focusing on: understanding ADHD, working with schools, medication, selfcare and parenting strategies.

Intentional Parenting is a 4 session virtual group designed to support parents who struggle with anxiety. The first session will focus on understanding anxiety, the impacts of anxiety, and ways to manage our own anxiety. The following 3 sessions focus on how anxiety impacts parenting, what factors influence anxiety, how we can better manage those factors, and ways we can separate anxiety from our parenting strategies.

Is your family struggling with conflict in the home? Are you concerned about your child not coming home?

> Phone 403-317-1777 www.woodshomes.ca

The CORE is a short-term place for young people (under 18) to stay who are not living at home for various reasons, or who are struggling with family or placement conflict. Crisis support is available to youth, parents and/or guardians, and community professionals at any time and/or for resource and referral information.

# **BUILDING BRAINS** \_ethbridge **TOGETHER - AT HOME**

Building Brains Together and Lethbridge School Division are partnering on an exciting new project this fall, where parents and caregivers of three and four-year-old children can build young brains together in their own homes. Building Brains Together - At Home includes three weekly live, small group, online sessions for the child and caregiver, with an Early Learning educator. Virtual sessions, approximately 30 minutes in length, take place in the afternoons on Tuesday, Wednesday and Thursday. Parents can learn more by joining the weekly parent café, on Monday afternoons, which will include educational support and guest speakers on child/brain development.

The Family Preservation Program works collaboratively with the Family Resource Network to provide programming for youth and their families. Referrals are received by self-referral, community, and Network partners. Activities offered by the Family McMan Preservation Program include: parent/ teen mediation, caregiver/youth/family

groups, family activities, community connection and referral, cultural groups, including working with local Elders, private mentorship sessions, and outreach support. Programming is offered at flexible times, including evenings and weekends, to ensure that scheduling is not a barrier to those who need support.

For more information contact Grace Landry via email at grace.landry@mcmansouth.ca or call 403-715-3202.

At Imagine Institute For Learning we challenge people to image what's possible in a world where compassion meets action. We believe that with proper training, we can all take compassionate action to protect and support to create stronger communities.

## ARE YOU LOOKING FOR A DOCTOR?

TELUS Health MyCare App allows you to access a medical doctor, mental health counsellor or dietician with your mobile device, from the comfort of your own home

#### ARE VIRTUAL CONSULTATIONS FREE?

Virtual consultations are available with physicians for all **Alberta** residents. Residents of AB who are covered **under provincial healthcare plans** can access virtual consultations at **no direct cost (you will not be billed after your consultation)** at this time.

\*\*Those without provincial health insurance can access virtual consultations for \$70 per physician consultation\*\*

#### WHO IS TELUS HEALTH MYCARE APP FOR?

TELUS Health MyCare app aims to serve Canadians currently without a family doctor or those who need to seek medical care after-hours.

\*If you have a medical doctor, it is recommended that you continue to see them.

WHAT ARE THE MINIMUM REQUIRMENTS?

TELUS MyCare is available on iPhones (IOS 12 and above) and Android (Version 4.2 and above) smartphones. You will need to be connected to the internet- where possible it is recommended you use WiFi.

HOW DO PRESCRIPTIONS, DIAGNOSTIC TESTS AND REFERRALS WORK?

Prescriptions: After your TELUS Health MyCare doctor generates your prescription, it is handled by the Clinical Support team. Your prescription will be sent to a pharmacy of your choice, where it should be received within one hour. You will need to **provide proof of identification** at the pharmacy to be able to collect your prescription.

Diagnostic Tests: After your consultation, the Clinical Support team will ask you for your preferred lab/imaging center or will recommend one nearby. The Clinical Support team will then provide guidance on next steps.

Referrals: After your consultation, a referral letter will be sent to a specialist. Once your referral is accepted, a member of the Clinical Support team or the specialist office will call you to schedule an appointment.
