

Future Churchill Family Members,

Winston Churchill High School is excited to welcome our new students for the 2022/2023 school year! The intention of this letter is to provide parents and incoming students with some information and important dates regarding the 2022/2023 registration process. Lethbridge School Division uses an online registration process, the hope is that it is easy and smooth for our families.

Parents will receive an email with a link to the 2022/2023 registration package (on or after March 25, 2022). Emails will be sent to the addresses currently listed in PowerSchool. If the email address currently listed in PowerSchool is incorrect, please reach out to your current school and update this information. We ask that parents complete the online registration package by no later than April 29th, 2022. Schools are required by Alberta Education to have a current registration package on file for every student at the beginning of each new school year.

If you have any questions regarding the registration process that are not addressed in this letter, please click the 2022/2023 Course Selection link under the Parent Information section of our website (below).
