

CAREER EXPLORATION SESSION

# RECREATION THERAPIST

OCTOBER 26, 2023  
4:00pm

A career in Therapeutic Recreation can have you working with a broad range of individuals, from children to seniors, supporting them to draw on their strengths and abilities, reducing barriers and helping them to live a purposeful and meaningful leisure lifestyle.

Recreation Therapists work in various health settings as valuable members of the health care team, collaborating with other health care professionals to provide patient-centered care.

Tiffany, from the University of Lethbridge, will tell us more!

**Register now for this *FREE* virtual session!**

Once registered, you will receive an email with the link, plus additional information regarding the event.
