An Author is a very creative career that lets your imagination soar. You can be the one who dreams up what's on TV screens or inside the pages of a book. You can write children's stories, different genres from mystery to romance, or even non-fiction!

The sky is the limit! From advertisements to news stories, podcasts to comics – everything we read or sometimes even watch and listen to starts in the mind of an author.

Join Ryan to find out more about one of the most unique careers from sniffing out opportunities to developing your own voice.
