October Churchill Challenge

For this month students will receive 10 points for their team for every pair of socks they bring in or act of service they discuss with their advisors!

School Fees: Please Pay HERE

What is Flex Friday??

Friday, November 8 is one of two Flex Fridays this school year. We wanted to share information about the purpose of the Flex Day and how your child can use the morning to support their learning and success.

The purpose of Flex Friday:

1. To give students an opportunity to work on projects, assessments, learning tasks due for the end of the semester
2. To give students a chance to get caught up on any missing learning tasks they have not handed in before they write their final assessment
3. To give students an opportunity to connect with teachers in a smaller learning setting for more direct instruction to help them deepen understanding and prepare for their final assessment
4. Please know Flex Friday is not a day off for students, we encourage all students to use the day to engage in work that will support their learning and support their success this semester
5. Attendance will not be taken as we want to give students the opportunity to select the areas they would like to focus on (students choose which teachers they will see and what projects/learning tasks they will work on)
6. Teachers may offer small tutorials, labs, opportunities for hands-on learning
7. Teachers have given students information about how they are doing in the course (and what needs to be completed) so students can use that information to plan their morning
8. The Physical Education Department will be hosting open gym opportunities for students throughout the morning
 - a. 8:00-9:00am – Volleyball
 - b. 9:10-10:10am - Badminton
 - c. 10:20-11:20am – Basketball
 - d. 8:00-11:20am – Fitness Centre

Please take a moment to ask your child how they plan to use Flex Friday to support their learning and their success this semester. Looking forward to seeing all of our awesome kids engaging in a day that they are part of creating.

HALLOWEEN GUIDELINES

The decisions we make about Halloween costumes can be fun, while also keeping our community safe. Some guidelines we expect everyone to follow include:

- No masks or makeup that obscure your identity: staff and students need to easily identify you**
- No weapons or fake weapons: this is guideline for all school days, including Halloween (regardless of your costume...leave the fake weapons at home)**
- Wear clothing that keeps you safe (e.g. shoes that you can walk in through the halls)**
- Face paint and makeup are okay...if we can still identify you**

Each day at our Churchill we can remind ourselves that our actions have an impact on those around us, our school, and our community. Choose a costume that is not hurtful or offensive this Halloween.

Some questions to ask yourself:

- Is my costume inappropriate or offensive?**
- Does my costume mock cultural or religious symbols including, but not limited to: Headdresses, afros, dreadlocks, cultural clothing, etc.?**
- Does my costume trivialize human suffering, genocide, oppression, and marginalization of individuals in our communities? (e.g. portraying homelessness, disabilities, mental illness, incarceration, etc.)**

Is my costume an attempt to represent an entire race, culture, community, or ethnicity?

Still unsure about your costume? Do not be scared to ask questions! Come to see us in the main office, or send us a TEAMS message, if you have any questions about Halloween costumes this year

Halloween

SPIRIT WEEK

OCTOBER 28-31

MON

PJ Day

Wear your pjs to school!

TUES
