

WINSTON CHURCHILL

Welcome to the Churchill Family

Vision

A community of learners working to make our world a better place.

Values

WORK HARD

BE KIND

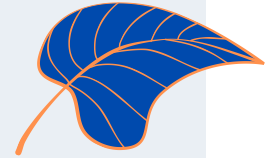

Mission

Build Relationships

Pursue Growth

Value Diversity

We are committed to creating an inclusive anti-racist and anti-oppressive learning community.

Learning and SDTT

Learning and growth is our hope for every student, every day. We believe that when students know how to think, to question, and are open to new perspectives, we are developing citizens that make a positive change in the world. Learning involves challenge, challenging oneself is important and we endeavor to support students as they learn.

Student Directed Tutorial Time (8:30-8:50am and 3:10-3:30pm) is when students determine the area of learning and support they want to focus on. SDTT is a flexible and independent learning time.

Advisor Program

Our advisor program is based on our belief in the Churchill Family. Churchill Family is centered around building meaningful relationships with our students and families. Our advisor program connects students to one adult (for 4 years) who has a vested interest in their life and also oversees their academic programming.

Leadership Class

Leadership is an opportunity for students to be involved in building school culture and planning activities. Students create their own initiatives and projects to positively build community and culture. Students work with friends on common ideas and projects or have the opportunity to meet new people with a common vision. Leadership Class works hard to grow our community and culture.

Get Involved

Fine Arts - We welcome ALL who want to explore music, art, drama and dance.
