Future Churchill Family Members,

Winston Churchill High School is excited to welcome our new students for the 2025/2026 school year! The intention of this letter is to provide parents and incoming students with some information and important dates regarding the 2025/2026 registration process. It is important to know that there are two parts to the registration process. The first is an online registration form that includes demographic information about your child. This form will be emailed to you on March 10, 2025. The second component is course selection that is done through PowerSchool. The WCHS Admin team will help your child select courses when they visit middle schools at the end of April (see below).

Families will receive an email on Monday, March 10, 2025 with a reminder that the registration for 2025/2026 is open through School Engage on PowerSchool (a link will be included). Emails will be sent to the addresses currently listed in PowerSchool. If the email address currently listed in PowerSchool is incorrect, please reach out to your current school and update this information. We ask that parents complete the online registration package by no later than March 28th, 2025. Schools are required by Alberta Education to have a current registration package on file for every student at the beginning of each new school year.

If you have any questions regarding the registration process that are not addressed in this letter, please click the 2025/2026 Course Selection link under the Parent Information section of our website. You can also call our front office (403-328-4723) and we would be happy to help answer any questions.
